With the Changing of Leaves Comes the **FLU SEASON!**

Although with everything that 2020 has thrown at us, this flu season should be a breeze.

We all know the best way to treat a virus is to prevent it. We are already doing 3 major steps in prevention: wearing masks, staying home when sick and washing hands frequently.

Another key step in flu prevention is getting a flu vaccine. As always, our residents will be offered the vaccine through Lutheran Living. We began giving them in October and we will continue throughout November. We are hoping for 100% compliance with the only exceptions, being an allergy or a religious belief. If this is the case, documentation will need to be provided to the Director of Nursing to be placed in your medical record.

If you have any questions, please do not hesitate to contact Amber Calvin, RN DON at 563-272-2140.

Don't Forget : Take the Family Pledge
Lutheran Living is asking the community to wear a mask , social distance, and use proper hand hygiene in an effort to stop the spread of the virus. This pledge is advocating to wear a mask for your loved one at Lutheran Living.

After signing the pledge brochure, you will receive a window decal to give others a visual reminder of this importance. As the cases are on the rise in our county, please help us in the fight to stop the spread of this virus.

If you feel moved to be a part of this pledge, please contact our Community Liaison, Kayla, at (563) 272- 2932 or kbenefiel@lutheran-living.org to receive the pledge brochure.

#GratefulChallenge

For the month of November, we are reflecting on all the things we are grateful for.

We ask if you would like to participate to send a video to kbenefiel@lutheran-living.org of 3 things you are grateful for. We will have staff and our residents participate as well. If you have any questions or want more information call Kayla at (563) 272-2932.

Care Plan Conferences Update

Getting back to some normalcy here at Lutheran Living, all team members (activities, culinary, ADON, Chaplain, Social Services) will be attending your loved ones' care conferences. We will review each section of their care plan.

We strive to continue to be transparent during this time. If you have any questions, please don't hesitate to contact us at (563) 263- 1241 or info@lutheran-living.org
